

Stop 8	Assessing
Introduction:	This Stop offers a basic approach to assessment using a standard set of questions that have already been explored at various stages in this training approach. The assessment guide is offered in the form of a visual presentation to facilitate student group discussion.
Objectives:	To support teachers in their evaluation of the entire approach to storytelling.
Time:	1 hour (or 1 teaching session)
Preparation	Familiarity with basic assessment.
Facilitation Style	The approach may include student participation.
Learning Check/ Evaluation	Visit the actual presentation offered as addition material.
