<p><u><b>Your character:</b></u> <b>AMATEUR ASTRONOMER</b></p> <p>You use the south part of the island for night sky observations and you use to bring friends for it.</p>	<p><u><b>Your character:</b></u> <b>BIRD WATCHER</b></p> <p>You live in the south part of the island, known for bird watching with lots of bird species migrating. You also make publications of your observations and you usually organize birdwatching meetings.</p>	<p><u><b>Your character:</b></u> <b>WRITER AND POET</b></p> <p>You're a writer and poet who needs to be inspired by nature and by the light of the stars and generally the night sky. You ran away from the north of the island because of the tourism increment. You couldn't sleep neither write well.</p>	<p><u><b>Your character:</b></u> <b>CONSERVACIONIST</b></p> <p>You are university investigator and you use the island for your researches about turtles. Things got worse in the north and the south is a place full of wild life, in opposition to the north side.</p>
<b>TEAM A</b>	<b>TEAM B</b>	<b>TEAM B</b>	<b>TEAM B</b>
<p><u><b>Your character:</b></u> <b>STUDENT</b></p> <p>You live in the north side of the island. The intense lights and noise brought by tourism decreased your study results. Your parents have started having problems in their marriage, especially because they have problems in sleeping.</p>	<p><u><b>Your character:</b></u> <b>TRADER</b></p> <p>You live in the north side and the tourism increment was good for your familiar budget. You plan to open another shop in the south, which will allow you to pay your sons university.</p>	<p><u><b>Your character:</b></u> <b>POLICEMAN</b></p> <p>The development of the north brought more light, more security and less criminality. You want to improve the criminality in the south.</p>	<p><u><b>Your character:</b></u> <b>FISHERMAN</b></p> <p>You live in south, but in the north was built a harbour, which has been more safe for fisherman's. You want the same for the south, although the number and kind of fish species decreased in the north.</p>

<b>TEAM B</b>	<b>TEAM B</b>	<b>TEAM C</b>	<b>TEAM C</b>
<p><u><b>Your character:</b></u> <b>DOCTOR</b></p> <p>Health cares improved in the north and you think that the touristic projects for the south will bring also better health cares for the population.</p>	<p><u><b>Your character:</b></u> <b>STUDENT</b></p> <p>You live in the south and you feel your parents problems with unemployment. By other hand, your friends from the north have more entertainment offers, including the mall with cinemas, games and bars.</p>	<p><u><b>Your character:</b></u> <b>MAYOR</b></p> <p>You're the mayor of an island with a developed north but a south with richer wildlife. Your goal is trying to conciliate the population different interests.</p>	<p><u><b>Your character:</b></u> <b>ENVIRONMENT COUNSELOR</b></p> <p>You're against the touristic buildings for the south of the island. In the north, the light pollution increased and the wildlife decreased.</p>
<b>TEAM C</b>	<b>TEAM C</b>	<b>TEAM C</b>	
<p><u><b>Your character:</b></u> <b>CULTURE COUNSELOR</b></p> <p>The island got more cultural events in the north, but people have been losing their connection with the the nature and the sky and also their cultural values. Your goal is to bring more culture but also preserve cultural traditions.</p>	<p><u><b>Your character:</b></u> <b>TOURISM COUNSELOR</b></p> <p>The tourism in the north of the island was good for island's economy, but there are resistant population in the south who are not satisfied with the secondary effects of that touristic expansion. Your goal is to change their opinion.</p>	<p><u><b>Your character:</b></u> <b>BUILDING COUNSELOR</b></p> <p>The tourism is good for the island economy. People live better and there's more money for education, health and other public services. But environmentalists and scientist are against an expansion to the south. Your goal is to change their opinion.</p>
